Dear valued guest,

As a result of COVID-19, we have implemented enhanced health and safety protocols to ensure the well being of our guests and employees. If you feel unwell, have been identified as a close contact with, or have symptoms of COVID-19, please contact us to postpone your trip. Anyone displaying symptoms of COVID-19 will not be permitted to enter our premises.

Physical distancing is required at all times. Please ensure a minimum spacing of 2m or 6ft between individuals. Our business continues to implement recommendations from public health officials as they arise. Failure to comply with physical distancing and hygiene requirements risks the closure of our facilities. We encourage all guests to bring hand sanitizer and a mask.

Please complete the following screening questionnaire. If you answer yes to any of these questions, please stay home, contact your local health officials and contact us to postpone your trip.

1. Have you traveled outside of Canada in the last 14 days?
2. Are you currently under mandatory quarantine as a result of recent travel or by orders of your local public health authorities?
3. Have you been identified as a close contact to an individual diagnosed with COVID-19?
4. Do you have a fever and cough?
5. Are you having difficulty breathing or feel any discomfort in your chest?
